## Linguistics for Dummies

**April 19th, 2018 - The sound inventory of the English language is the pool of sounds which speakers use to construct words All languages differ in their respective sound inventory Given that there is an International Phonetics Alphabet to help speakers in knowing exactly which sound one is referring to"**

**Linguistics for Dummies  
Introduction to English Linguistics**

April 25th, 2018 - Linguistics is a fascinating area I

was never aware of the role that linguistics played

in my everyday life Before I started studying it I

took language for granted never I stopped a single

second to think about this thing that I call language

and that I somehow 'learned' without even

---

realising
